Good morning!

Due to the majority of members unable to make the September 30, 2015 leadership meeting, this meeting will be rescheduled.

Our intent in meeting with the group is to provide you with an update of the Landside Access Modernization Program environmental process. The information is important enough to re-schedule the meeting until the majority of the group is available, therefore I'm proposing a new meeting date of Wednesday, October 7, 2015. A doodle poll will be sent to you shortly, polling you of your availability and the best time to meet. I apologize for the cancellation, and for any inconvenience caused to your schedules.

For now, stay tuned as we work out a new meeting date. Thank you.

Hello all!

I hope you are having a great summer! It's that time again and we want to send this email out early so that everyone could save the date for our next Leadership Lunch on Wednesday, September 30, 2015 from 10:30am - 12:30pm at the Council District 11 Field Office in Westchester (7166 W Manchester Ave, Los Angeles, CA 90045).

We were hoping to use this time together to provide a brief update on the LAX Landside Access Modernization Program (LAMP) and other projects.

We hope everyone is having a great summer and look forward to having lunch together after Labor Day weekend!

Thank you!!

Lisa Trifiletti
